**Front bottom:** "seeds planted reflect the goodness of our hearts?"

**Inside Left:** "Gardeners of Good Deeds" A seed was planted today ... A seed of hope and endless possibilities, because of the actions that took place ... A rain shower fell and bloomed so many wonderful things ... A community awoken to feed off the abundance, because of the actions that took place ... "Gardeners of Good Deeds" plant so many ... so many things, because they know a rain shower is coming and abundance will awaken a community again ...
