Expressions and sayings to enjoy and share with a friend.

Have a blessed day!

Inside Text Left:

Quotes to remember ..

"A mother's wisdom should never be ignored .. it can help you find detours and avoid road blocks in life".

"The easiest way to extend the life span of our culture is to invite someone along and they will tell a friend".

"Puzzles and games can create a maze without an exit to your life.. Stop Playing".

"Sometimes conflict is needed to acquire change, like an egg must be broken to be fried."

"Honesty is like a cool glass of water .. it feels good going down".

"The world may always see you differently .. what counts is how you see yourself".

"When we loose our desire to dream .. we loose our desire!"

"Self preservation is a natural instinct .. self control is a necessary outcome to ensure you win".
